

Owl Tree Trunk Card

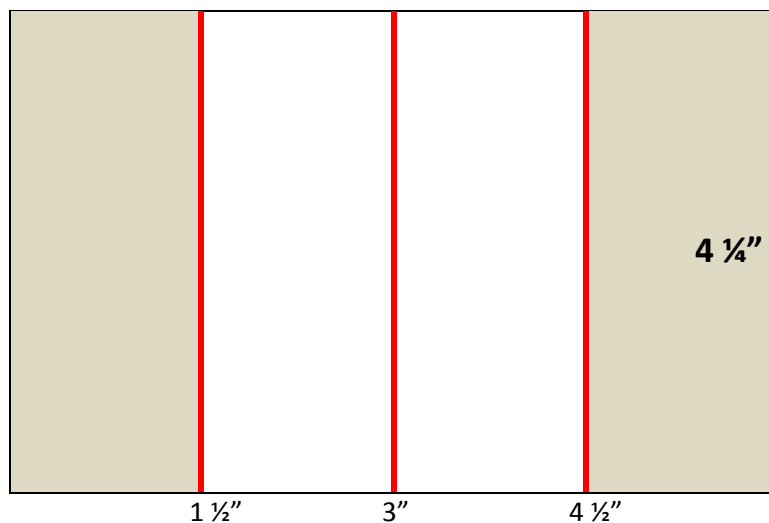

This card measures 4 ¼" x 8 ½".

To make the tree trunk insert, follow the directions below:

Cut a piece of Cardstock, 6" x 4 ¼"

6"

Score along the red **SCORE** lines.

Fold the cardstock at 3" and use a circle or oval punch to make your tree-trunk hole, this is where your owl will peep out, you can make it as wide or narrow as you wish.

Stamp the neutral cardstock with the woodgrain stamp and adhere the 2 outer edges (shaded on the template) to the centre of the card making sure the card opens and closes completely. Use the photo as a guide. Glue your owl (or bird) to the inside of the tree trunk and when you open the card, he'll pop out with a greeting of your choice!
